5. Garage walls and ceiling to be drywalled (unfinished space).

Purchasers to have a selection of interior finishing materials from the Vendor's standard samples and are as per Vendor's specifications provided they have not been installed or ordered. The Vendor will not allow the Purchaser to do any work, supply any material to finish the dwelling, or enter the premises before the closing date.

Purchaser agrees to pay the Ontario New Home Warranty Program Enrolment Fee on Closing as an adjustment.

The Purchaser acknowledges that the finishing materials contained in any model home or presentation centre, including but not limited to broadloom, furniture, electrical fixtures, drapes, marble or ceramic flooring, wood flooring, upgraded kitchen cabinets, fireplace, security and intercom system, stained floors, staircase and railing, architectural ornamental plaster, acoustic tiled ceiling and luminous lenses, etc., may be for display purposes only and may not be of the same grade or type, or may not necessarily be included in the dwelling unit referred to herein.

Variations from the Vendor's samples may occur in finishing materials, bathroom fixtures, kitchen and vanity cabinets and floor and wall finishes due to normal production processes. Variations in shading will occur in items provided by different manufacturers for example, but not limited to, pedestal sinks and toilets, coloured kitchen faucet and coloured sink, hardwood flooring, oak stairs and pickets and railings.

Purchasers are notified that secondary entry doors from the exterior to the garage or house or from the garage to the house or verandah may be lowered or eliminated to accommodate side yard drainage or other grading requirements. The Purchaser acknowledges that the siting and exterior colours of homes on all lots is predetermined and subject to the approval of the Developer's Architectural Control Consultants.

The Purchaser shall indemnify and save the Vendor, its servants and agents harmless from all action, causes of action, claims or demands for, upon or by reason of any damage, loss or injury to person or property of the Purchaser, or any of his friends, relatives, workmen or agents who have entered on the Real Property or any part of the subdivision of which the Real Property forms a part whether with or without the authorization, express or implied, of the Vendor.

Actual floor space may vary from stated floor area. Location of furnace, hot water tank, posts & beams are to be determined by supplier and may not be located as shown on the brochure and purchasers shall be deemed to accept same. Room dimensions and window configuration may vary with final construction drawings. All dimensions are approximate.

The Vendor shall have the right to make reasonable changes in the opinion of the Vendor in the plans and specifications if required and to substitute other material for that provided for herein with material that is of equal or better quality than that provided for herein. The determination of whether or not a substitute material is of equal or better quality shall be made by the Vendor's architect whose determination shall be final and binding. Colour, texture, appearance, etc. of features and finishes installed in the Unit may vary from Vendor's samples as a result of normal manufacturing and installation processes.

ORAL REPRESENTATIONS DO NOT FORM PART OF NOR CAN THEY AMEND THIS AGREEMENT. E.&O.E. August 2020
